MEMORANDUM FOR: Executive Director

SUBJECT : OXCART Pilots

REFERENCE : Memo for DD/S&T, from Executive Director, dtd 12 Aug 63, same subject (236-63)

25X1A

1. I understand that since our receipt of reference, in which you expressed some concern over the manner in which OXCART pilots have been processed, that Colonel Jack C. Ledford and you have discussed this topic. I believe that as a consequence of that conversation during which Colonel Ledford explained the reasoning which prompted the decision to bring the OXCART pilots into the Headquarters building, at least for the present you are satisfied on this issue.

2. Colonel Ledford has informed me that you and he plan to get together in the near future and discuss this topic in greater detail.
